Eugene Kahley made a motion for the township to send a bill to Logger's; Price \$1,000 & Roffman \$500 for damage done to Aikey Road while logging in the spring. Dale Zechman seconded the motion. All in favor. Motion passed.

The supervisors agreed to send a letter to the state, requesting repair of the east end of Chapel Road where it intersects to Rt. 235. Chapel Road has big holes in it and a water problem that comes from the Long Lane Cemetery and is hazardous in the winter.

Stephen Buttorff made a motion to send a letter to property owners whose land connects to the old railroad bed stream asking property owners to clean up debris in the stream. Dale Zechman seconded the motion. All in favor. Motion passed.
OLD BUSINESS:

Woodward: Officially the state and Woodward have terminated the sales agreement. Reportedly Woodward is still interested in the Laurelton Center Property.

Siren at the Community Center is still not working. It will cost \$1,000 for the unit to activate
